11. INDEMNIFICATION.

- (a) **By Client.** Solely with regard to third-party claims, Client shall defend, indemnify, reimburse, and hold harmless KOR and its Affiliates and their directors, officers, and employees (collectively, the “**KOR Indemnified Parties**”) from and against any and all losses, liabilities, judgments, damages, costs, and expenses of any nature whatsoever, including reasonable attorney’s fees (collectively, “**Losses**”) to the extent resulting from or arising out of any third party claim, action or proceeding that any Client Data, or the use thereof, infringes or otherwise violates any intellectual property rights, and any breach of this USA or any Addendum by Client or any gross negligence by Client, including Users and any other Persons using Services under any of Client’s Access Methods (whether or not authorized), in connection with access to or use of any Services or Documentation, except to the extent any such Losses are caused by the gross negligence, willful misconduct or fraud of KOR. Client will have no obligation to KOR to the extent any such claim or Loss is based upon or results from: (i) KOR’s use of the Client Data in violation of this Agreement, if the claim would not have arisen but for such use; or (ii) modification of the Client Data by KOR or its agents, if the claim would not have arisen but for such modification.
- (b) **By KOR.** KOR shall defend, indemnify and hold harmless Client and its Affiliates and their directors, officers, and employees (collectively, the “**Client Indemnified Parties**”) from and against any Losses resulting from or arising out of any third party claim, action, or proceeding (i) by a third party that the Services, KOR SaaS Services, the KOR Systems, the KOR Technology, Documentation or other materials provided by KOR, infringe or otherwise violate any copyright, patent, trade secret or other intellectual property right (an “**IP Claim**”); (ii) arising from errors in transmission or processing of Client Materials caused by the Services or KOR, or (iii) arising out of any breach of this USA or any Addendum or any gross negligence, willful misconduct or fraud of KOR, except to the extent any such Losses are caused by the gross negligence, willful misconduct, fraud or breach of this Agreement by Client.
- (c) For purposes of this Agreement, damages arising from indemnification are deemed to be direct damages.
- (d) **Procedures.** The indemnified party shall (i) notify the indemnifying party of any such claims as soon as possible after becoming aware thereof provided, however that any delay or failure to notify the indemnifying party shall not relieve the indemnifying party of its indemnification obligations hereunder, except to the extent, if at all, that the indemnifying party has been materially prejudiced as a direct result of such delay or failure; (ii) permit the indemnifying party, at its own expense, to have sole conduct and control of all legal proceedings in connection with such IP Claim or the settlement or other compromise thereof, *provided that* the indemnifying party obtains the prior written consent (which consent shall not be unreasonably withheld or conditioned) of the indemnified party to any settlement or compromise that incurs or imposes liability or obligation on any of the indemnified party; and (iii) give the indemnifying party (and any Person acting on behalf of or authorized by the indemnifying party) all reasonable assistance with such defense of such claim, at the indemnifying party’s sole cost and expense. The indemnified party may participate in such defense at its sole cost, and in any settlement discussions directly or through counsel of its choice on a monitoring, non-controlling basis.
- (e) In addition, if the Services are held to violate, or in KOR’s reasonable opinion are likely to violate, any intellectual property rights of a third party, KOR shall, at its reasonable discretion and expense: (A) secure the right for Client to continue use of the infringing

Services; or (B) replace or modify the infringing Services such that they are no longer in violation of the applicable third party rights, provided that such replacement or modification maintains substantially equivalent substance and functionality. If neither of the foregoing options can be implemented on commercially reasonable terms or within a reasonable timeframe, either Client or KOR may terminate the applicable Addenda and KOR shall promptly refund to Client the pro-rated unused portion of any prepaid Fees by Client hereunder in respect of the terminating Services.

In the case of a Restricted Addendum, an amendment of any term within the Restricted Addendum will be subject to mutual agreement of the parties even in the case of a change under Section 2(d).
- (b) **Notice of Amendment.** In the event that KOR amends for any client any provision of this Universal Services Agreement or any Addendum which is not a Restricted Addendum, then such Amendment shall be made effective for each other KOR client, including Client, to be on the same version of Universal Services Agreement or Addendum which is not a Restricted Addendum; which will be deemed as accepted as provided under Section 2(d) by Client’s continued use of such service.

21. ASSIGNMENT

Except as otherwise expressly provided herein, neither Party shall assign or otherwise transfer this USA, or any of its rights or obligations under this USA (by merger, change of control, operation of law or otherwise), without the prior written approval of the other party, which approval shall not be unreasonably withheld; provided, however, that Client may
